

Mommy and Me classes in SPRING

Gold Material is announcing a new weekend program!

Due to popular demand we are introducing a Montessori based **Mommy and Me classes**. In this class, the toddlers under 3 years of age will engage in various age appropriate activities including sensorial, practical life and physical activities. The class will be led by an experienced Montessori teacher with a strong background in working with the young students in all Gold Material Montessori Schools in New York. Montessori materials encourage the development of a toddler's independence, concentration, confidence, fine motor skills, respect for others, and a love of learning.

Mommy and Me classes at Gold Material give you the chance to get together with like-minded parents and have fun exploring a wide range of carefully prepared hands-on activities with your child; learn about Montessori educational principles and early child development.
